### **A Night at The Oscars**

**Cambridge ON** - The Grand River Film Festival (GRFF) is pleased to be collaborating with The Charcoal Group to offer film lovers a chance to come together to view the 82<sup>nd</sup> Annual Academy Award's Red Carpet and Ceremony at Wildcraft in Waterloo.

*A Night at The Oscars* will fall on the evening of Sunday March 7<sup>th</sup>, beginning at 6 pm and ending at midnight, complete with complimentary oeuvres and a cash bar. The gathering is sure to create an avenue for the people of Waterloo Region to discuss the Oscar-worthy selections of 2010 and watch as the films are awarded.

The evening is in part a pre celebration for GRFF, whose fourth annual festival will take place Thursday October 21<sup>st</sup> – Sunday October 24<sup>th</sup> this coming fall. Last year's Festival also took place in October and was a huge success, showing over eight critically-acclaimed films and was visited by the Japanese Oscar-winning director of 2009's Best Foreign Film, Yojiro Takita.

GRFF's Board of Director's Chair and CEO of The Museum, David Marskell, believes Oscar night is ideal to bring together film enthusiasts, with the trendy Wildcraft venue offering a unique space to view Hollywood's most fascinating awards show. As his last year as Chair of the Festival, David maintains that, "the Oscar-inspired evening is a perfect example of how we can support the film crowd of Kitchener, Waterloo and Cambridge, while creating unique partnerships between community partners like The Museum and Wildcraft". David continues by stating that the evening will be a "fun and supportive way to enjoy and discuss film" – a concept that embodies the purpose of the region's 4<sup>th</sup> Annual Grand River Film Festival.

Entrance to *A Night at The Oscars* is a \$25.00 donation to GRFF paid at the door.
